Sir:

Technology Center 2600

In further response to the Office Action dated April 6, 2004, the following remarks are respectfully submitted.

An Amendment in the above-identified application was filed on June 29, 2004 in response to the Office Action of April 6, 2004. In that Amendment, it was stated that formal drawings were being resubmitted to address the Draftsperson's drawing objections, since it appeared that the Draftsperson's comments pertained to the informal drawings that were originally filed rather than to the formal drawings that were filed on August 2, 2001. However, the resubmission of formal drawings was mistakenly not submitted with the Amendment.

Accordingly, the formal drawings are being resubmitted herewith. It is believed that no Petition for Extension of Time or associated fee is due since the formal drawings were previously submitted on August 2, 2001, as evidenced by the enclosed copy of the "Transmittal of Formal Drawings" and postcard date-stamped by the Office acknowledging receipt of the same. However, if it should be

determined that a fee is due with the present submission, the Director is hereby authorized to charge any appropriate fees under 37 C.F.R. §§ 1.16, 1.17, 1.20(d) and 1.21 that may be required by this paper to Deposit Account No. 02-4800.

Should there be any questions in connection with this matter, the Office is invited to contact the undersigned at the number below.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
